

### ZBP- A2

ArmType

#### Upper Arm Blood Pressure Monitor with USB port

1. Dimensions: L93\*W120\*H59mm,
2. LCD size:54\*64mm with regular size cuff from 23-33cm
3. Com-Fast Technology
4. Fully automatic inflation and deflation
5. 60 memories
6. Automatic power-off
7. Low battery detection
8. Excessive Body Motion Detector
9. Irregular Heartbeat Detection

### ZBP - W2

Wrist Type

#### Wrist Blood Pressure Monitor

1. L62\*W78\*H65mm
2. Measurement range: Pressure:20~280mmHg
3. Accuracy/Calibration: Pressure:±3mmHg;
4. Cuff Size: Regular size cuff from 23-33CM
5. Measurement during inflating
6. 60 memories with date/time display
7. Automatic power-off
8. Low battery and intelligent error detection
9. Excessive Body Motion Detector
